Mission, Vision and Values

Our mission is to provide the children in our care with a safe and nurturing learning environment where they receive the best possible foundation, on every level, so that they are inspired for a lifetime of learning and achievement.

The Angus Valley Montessori School (AVMS) program is based on the work of Dr. Maria Montessori who, through her research and studies, helped change the course of education in the early 1900s. Her proven methods are valid today. The Montessori Method of education concentrates on the child's experience, characterized by a focus on self-directed activity. Areas of activity include Practical Life; The Sensorial; Language Arts; Mathematics; and Cultural Activities. Individual plans are made by using the Montessori method and recognizing Gardner's Theory of Multiple Intelligence which, simply put, suggests children learn in different ways and will benefit from a balanced approach to learning.

We provide parents with reliable and supportive childcare in a building custom-designed by professionals who are fluent in creating physical spaces for younger age groups.

Program Statement

Philosophy

At Angus Valley Montessori Schools (AVMS) our programs, philosophy, and approach to working with children are inspired by Maria Montessori. Children at Montessori Schools are active participants in their learning. We as educators provide the children with tools and resources that lead the child into self-directed learning and problem-solving.

At AVMS we believe that every child belongs and is welcome. We understand that learning is an active process whereby opportunities to explore and interact with the environment are key components in a child's growth and development. A child's growth follows a unique development sequence, however within that sequence, each child grows and develops at their own rate and in unique ways.

At AVMS we believe that learning is a shared responsibility between the home, AVMS educators, the community, and each child. This responsibility requires open communication between AVMS and families, in order to share relevant and important information about your child's experiences and accomplishments. At AVMS we request and appreciate your participation and input in your child's development in order to develop a seamless growth environment between home and AVMS schools.

Angus Valley Montessori Schools are committed to providing a fully inclusive environment that supports the health and well-being of every child in our care in accordance with the provincial programming and pedagogy guidelines “How Does Learning Happen”. This guideline is a professional learning resource that provides a common framework to help programs focus on knowledge – from research, theory and practice – of what is most important to children. It encompasses a broad range of program philosophies and approaches. We are proud to be a part of this pedagogy. The unique combination of “How Does Learning Happen” and the aforementioned Maria Montessori inspiration create a unique learning environment for children.

The four foundations from “How Does Learning Happen,” all apply regardless of the child’s age, ability, culture, language, geography, or settings.

Belonging refers to a sense of being connected to others, being valued and forming relationships.

Well-being addresses the importance of physical /mental health, self-care, sense of self and self-regulation.

Engagement occurs when children are involved, focused and able to explore their environment with natural curiosity and exuberance.

Expression or communication (to be heard, as well as to listen) may take many different forms. Through their bodies, words and use of materials.

Inclusivity

AVM is committed to the principles of equity. We believe that ethno-racial and linguistic diversity enriches and strengthens our community socially, culturally and economically, and that discrimination of any kind creates barriers for children, families and communities.

We foster inclusive learning by setting our children up for success in our diverse world, with the assistance of, and beyond Montessori learning, through exposure to different languages, family units, skin colours and abilities.

We believe that children are competent, capable and curious beings with endless possibilities in their lives. We are committed to providing a learning setting that encourages, nurtures and fosters early learning and balanced development.

In doing so AVM follows the six **Key Principles** outlined in the Early Learning Framework.

1. The early years set the foundation for lifelong learning, **behaviour, health and well-being.**
2. Partnerships with families and communities help early childhood settings to best meet the needs of young children.
3. Respect for diversity, equity and inclusion are vital for optimal development and learning.
4. A planned program supports early learning.
5. Play/work is a means of learning that capitalizes on children’s natural curiosity and exuberance.
6. Providing teachers with tools and learning to make them succeed.

Program Goals

Our goal at Angus Valley Montessori Schools is to provide a program that:

1. Promotes the health, safety, nutrition and the overall well-being of children.

Nutrition: While following Canada’s Food Guide when planning home-style cooked meals and snacks, we use locally grown (wherever possible), and seasonal vegetables and fruit. Educators mentor mealtimes alongside children to model community and family-oriented meals. Mealtimes have proven to be one of the best opportunities for children to foster early self-help skills.

Safety: All staff, students and volunteers are required to complete a Vulnerable Sector Check prior to working in the school. All staff, along with the children, practice fire drills monthly, as well as intermittent severe weather and lock down drills. AVMS educators learn and understand each child’s medical information, exceptionalities, allergies, food restrictions, medication requirements, as well as parent’s preferences with respect to diet, exercise and rest time prior to providing care.

Health: The program provides quiet time for rest and recovery; outdoor play providing gross motor movement, fun, exploration, and recreation. We maintain a clean, safe, and hygienic environment by following cleaning schedules, maintaining clean washroom areas, and promoting proper handwashing with both staff and children. Educators monitor children throughout the day for symptoms of illness and react accordingly to the severity of the illness, or incident. All educators directly caring for children are required to have completed CPR and First Aid training.

2. Encourages children to interact and communicate in a positive way and supports their ability to self-regulate.

Approach: Children are given notice in advance of upcoming transitions, to aid in the transition process. We understand that a child’s growth follows a development sequence, but within that sequence, each child grows and develops at their own rate and unique way. Classrooms are set up in a way that encourages children to be free to develop at their own pace and learn from each other. There are also different “works” which promote learning of the same skills, but in different ways to include all levels of development. Progress is tracked individually. One-on-one presentations are

given to each child allowing the child-to-teacher relationship to grow and to have a better understanding of each child's learning style and individual needs. We discuss feelings when a child is upset and redirect. We encourage active play by going outdoors twice daily and teachers planning activities that provide opportunities for free and structured **play**, encouraging social interactions that develop the child **socially and emotionally**.

3. Supports positive and responsive interactions among the children, parents, teachers, and staff.

Approach: AVMS conducts initial orientations with parents to come into their child's class and view their child's schedule and learning environment, prior to starting. In class, we work in smaller groups or one-on-one with children. Constant observation allows teachers to have an intimate knowledge of the child's emotional, physical and psychological state. When a child approaches staff and teachers, they are given the attention they require and a response to their needs as directly as possible.

4. Fosters engagement and ongoing communication with the parents about the program and their children.

Approach: Parents of AVMS should feel comfortable calling their AVMS location with any questions. AVMS provides daily written communication for younger students, have holiday shows and family appreciation events. We ask parents to help with classroom activities such as collecting natural or recycling materials. By welcoming parents into AVMS' unique learning environments, we create a sense of belonging. If parents feel like they belong, the children will be comfortable and well-adjusted individuals within the Montessori environment. Our goal is to create an environment that is a home away from home. Parents are encouraged to make an appointment with Classroom teachers and Supervisors if they wish to observe their children while in program.

5. Involves local community partners and allows those partners to support the children, their families and staff.

Approach: We have many special guests from the community come in throughout the year to run special interest days for our children. We also welcome local specialists to work with our children when necessary. We meet with the parents and these specialists together to set up appropriate plans and strategies as needed.

6. Fosters the children's exploration, play and inquiry by offering activities that are open-ended in all areas.

Approach: The Montessori environment is designed to develop a foundation for creative learning and a sense of independence. The diversity of the Montessori materials, activities and experiences foster physical, intellectual, creative, social, and personal skills. We believe it is important that

children see there isn't always only one way to explore and only one outcome. We use different materials in art and allow children to access various others from the art area as they need. We also have projects that allow parents to get involved with activities. We believe that projects using recycled materials allow children to discover exactly what they want to do with the materials. We also allow children to leave their materials and later return to their work so that they can continue until they have finished exploring.

7. Provides child-initiated and adult-supported experiences by creating an environment that encourages staff and parents to get involved with their child's learning.

Approach: Our programs include open ended activities, photo documentation for parents, monthly email newsletters, annual parent observations, two report cards with two accompanying parent-teacher conferences, and the option for additional meetings upon request. AVMS provides opportunities for family involvement through other activities such as Holiday Concerts and Family Appreciation Day.

8. Plans and creates positive learning environments and experiences in which each child's learning and development will be encouraged and supported.

Approach: Various activities in the classrooms are available at different levels, keeping children with diverse interests engaged. We provide activities that allow children to explore and make mistakes. We do not limit what materials or activities children can use thereby allowing them to explore areas that they are interested in while still being surrounded by activities that may interest them at another time. Other experiences are encouraged at AVMS; such as music classes, French classes and physical activities such as karate.

9. Incorporates the Montessori work cycle, indoor and outdoor play, as well as active play, rest and quiet time into the day and gives consideration to the individual needs of the children receiving childcare.

Approach: The daily schedule is a guide for outdoor playtimes and quiet times, as well as meals and snacks. Apart from these scheduled times, all activities are open and available within the classroom as often as possible. The youngest children within AVMS may need small alterations to their schedules should they require extra snack time, extra rest etc.

10. Supports childcare providers, educators and other staff who interact with the children at school in relation to professional learning.

Approach: We support both Montessori teachers and ECE staff through in-class support and observation, having a developmentally appropriate curriculum to guide the teachers, observation sheets, reviewing teachers' performance, giving constructive feedback, bringing in speakers and

making teachers aware of available workshops through MOE and Public Health. We have at least three Professional Developmental Days scheduled in our yearly school calendar.

11. Documents and reviews the impact of the strategies identified in this program statement.

Approach: Classrooms at AVMS document and review the impact of the strategies set out in goals 1 through 10 using various documentation strategies. These may include write ups, quick notes, photographs, and conversations between educators. The findings of these documentations are shared amongst educator teams, centre supervisors and families.

Note: The Program Statement is reviewed by students and volunteers when they start their placement. The Board of Directors, staff and parents will review the Program Statement annually to ensure that it is aligned with the Ministry of Education’s policy statement.

Ratios

Teacher-to-Student Ratios

These are **minimum** requirements set by Child Care and Early Years Act, 2014 (CCEYA) and Ontario Regulation 137/15. AVMS will strive to surpass the minimum requirements to ensure that the children in our care receive more attention and benefit from a variety of activities fully utilizing the talents of staff members.

Teachers are required to maintain Student-Teacher Ratios based on the Ministry of Education Child Care and Assurance Licensing Act.

The Teacher-to-Student ratio(s) are as follows:

- Infant Ratios 1:3, 2:6 or 3:10
- Pre-Casa 1:5
- Casa 1:8
- Kindergarten 1:13
- School-Age 1:15

AVMS Programs

Infant

Infants absorb effortlessly from their surroundings when they begin exploring their environment: to touch and manipulate objects, and to learn about the world around them. We help to maximize their potential through stimulation. We nurture and care for infants using a play-based philosophy in our relaxed, safe, and stimulating infant room. Rocking, holding, feeding, singing, and playing are just a few ways we will help your baby develop. We are happy to follow established routines from home, as closely as possible. Sensory development including songs, words, stories, and gestures along with activities to develop gross and fine motor skills and outdoor play are all part of their week. As children grow and become more independent, they gain skills for successful transition to a Pre-Casa room. (Infant program subject to availability)

Pre-Casa

Our unique, challenging, and diverse program combine professional childcare with early childhood education. This age group has a desire to learn, exhibited by their enthusiasm to explore the world around them. Skills are developed through a variety of planned learning activities. These include learning to count; music, art and movement, language skills, learning to formulate sentences, creative learning, free play and manipulative play. Children will develop independence, plus important social and language skills.

Casa

Casa children have tremendous abilities to learn and absorb. We introduce Montessori activities designed to stimulate the intellect, enhance the development of children's focus, concentration, task organization and cognitive order. They learn to order, classify, and describe sensory impressions. Oral language development, written expression and reading through phonetics and understanding are also introduced alongside the concepts of quantity, numeracy, sequencing, and mathematical operations. Teachers help Casa students discover History, Geography, and Life Sciences. Music, Art, Physical Education and Spatial Movement are part of the integrated cultural and sports program.

School-Age

Our After-School program is designed for children enrolled in elementary school. We offer homework support and tutoring with programming that ensures academic-linked activities are fun and engaging while complementing the school day. Children will enjoy art, science experiments, robotics, and sports, according to their interests.

Note: Please note that children will advance from one program to another, as space becomes available. AVM schools cannot guarantee that a child will advance immediately after the child has turned the age of the advanced program.

Note: Please familiarize yourself with the program plans, fire procedure, snack and lunch menus which are posted in the school hallway.

Information for Parents

School Uniform Policy

Our school uniform (grey and navy blue) is mandatory and worn by both the Casa and Pre-Casa students. Casa and Pre-Casa students are required to wear their uniforms 4 days a week (Monday, Tuesday, Wednesday and Thursday) Friday will be a casual day with no uniforms.

Report Cards

Daily reports are sent for Infants and Pre-Casa children. Term report cards will be sent out twice a year for Casa, twice a year for Pre-Casa and once for infants at 12 and 18 months of age. Parents/Guardians will have an opportunity to discuss the report card with teachers at the Parent-Teacher Interviews.

Parent-Teacher Interviews

Parent-Teacher Interviews will be held twice a year, at the time report cards are distributed. Students do not attend school on these days. Parents are asked to sign-up in advance to meet with their child's teacher. A sign-up sheet for the classroom teacher is sent out prior to each family.

Student Cubbies and Sunscreen

Your child will have a place for their belongings in the cubby area provided for each class. They will have a place for extra clothing (placed in a Ziploc bag with their name) and footwear as well as a hook to hang their coats and bags. Children are encouraged to keep things tidy and organized to minimize misplaced items. Please assist us by tidying up the area with your child at the end of each week and limit the number of items remaining.

AVMS requires parents to not leave sunscreen bottles and medicines in their child's cubby. Sunscreen bottles and medicines should be labelled with your child's name and handed over to the classroom teacher with the corresponding authorization forms.

Personal items and Toys

- Refrain from bringing or limit personal items at the school.
- Any items deemed necessary should be small enough to be kept in the cubby area.
- Toy guns, other play weapons or any battery-operated toys are not allowed at the school.

Lost and Found

Lost and found items are kept in a storage box at the front desk. Please see admin staff if you require access to the Lost and Found.

Soiled Clothing Items

Any soiled items will be placed in a bag and will be returned to the child's parent/guardian when they come to pick up their child. These clothing items will not be cleaned by AVMS, they will only be placed in the bag by the teacher. No soiled clothing items will be kept overnight at AVMS. All soiled clothing items left after closing will be thrown into the garbage bin due to Health and Safety requirements.

Loss of School Articles

All articles which are the property of the AVMS must be properly maintained by the student. Parents/guardians are responsible for the loss or damage to articles and must replace the article at the value set by the AVMS.

Change of Information

If you have a change of address or telephone number, it is essential that we have that information in your child's file. It is the responsibility of parents that they update this change of information through Procure, and inform the office through email, immediately. All emergency information must be kept up to date, including your daytime telephone number and numbers of emergency contacts. We also need to know of any changes in who may or may not pick up your child from the school. Please remember to keep us informed immediately of any contact information changes so that we can reach a designated person, in case of an emergency.

Nap Policy

Infants will be able to sleep as often as required. Schedules are in place to provide a daily guideline to parents and staff. However, infants' needs are met individually first and as a group second. All Infants will be directly visually checked every 15 minutes, Pre-Casa every 30 minutes and Casa children every 60 minutes while they sleep, and recorded in the Safe Sleep Log.

All Pre-Casa children will have a two-hour sleep period after lunch. All children will be provided with the opportunity to sleep or engage in quiet activities based on their needs. Parents are required to provide a labeled blanket and cot sheet from home.

We ask you to launder the bedding at the end of each week and to return it for the beginning of the following week. When returning clean cot sheets, please deliver them to staff on duty to be placed in the cot room, rather than leaving them in the cubby area.

Food/Snack Drop-off

Food provided from home for children must abide by the AVMS Anaphylactic Policy and be free from anaphylactic allergens. Some strategies to reduce the risk of exposure to anaphylactic allergens are listed below:

- **We are a peanut and nut-free school.** Any food brought to school must be nut-free and packaged food must have a label indicating the ingredients. Otherwise, outside food will not be permitted in the school
- In cases where a child has food allergies, and the meals and snacks provided by Angus Valley Montessori cannot meet the child's needs, the child's parent must supply snacks/meals for their child to eat at school. All written instructions for diet provided by a parent will be implemented.
- Ensure the food brought to Angus Valley Montessori is labelled with the child's full name, the date the food arrived at the childcare centre and advise of all ingredients.
- Appropriate supervision must be maintained to ensure that food provided from home is not shared or exchanged between children.
- Parents who serve foods containing allergens at home must ensure their child has been rid of these allergens prior to attending Angus Valley Montessori (e.g., by thoroughly washing hands, brushing teeth, etc.)

Donations

Any parents or guardians wishing to donate items such as toys or books must call AVMS prior to dropping off any items. Parents or guardians will be advised if AVMS will be accepting items or not. AVMS will NOT be accepting any clothing or food items for safety reasons.

Special Occasions/Events

Special Occasions/Events

Every child's birthday is special and is celebrated at the school. Due to many food allergies and restrictions, we ask that you speak to your child's teacher prior to bringing any food to the school. Unfortunately, any food brought into the school without prior arrangement with the teacher or supervisor will be discarded immediately. To best align with the development and educational principles of the school, including minimalism and inclusivity parents are required to speak to the Administration prior to providing any extra items for any of their child's celebrations at school.

Field Trips

AVMS will be taking students on short field trips to the local park, library, and excursions during the school year. All field trips will be planned and supervised by AVMS staff. Parents will be notified in advance of field trips that require vehicle transportation. A field trip consent form will be sent in advance with trip details.

Photography & Video Recording

Parents are not allowed to take any photographs or video recordings of students during school hours, without the prior consent of the school. To protect individual privacy, photos and videos cannot be taken with parents'/guardian's cameras.

Supervision of Students / Volunteers

With respect to volunteers and students. O.reg 262 under the CCEYA provides that:

- Only employees will have direct unsupervised access to children.
- All volunteers need to provide a vulnerable sector check in accordance with CCEYA 2014. A form will be provided to parents who want to apply, prior to the field trip.
- Volunteers and students may not be counted in the staffing ratios and will be supervised by a permanent staff member within the school. No child will be supervised by a person less than 18 years of age.
- If you become a parent volunteer, you will be responsible for several children and will be asked to remember their names and take a headcount of those in your group.

- The AVMS Monitoring Compliance and Contraventions Policy, as well all the other policies and procedure are reviewed and signed by all employees, volunteers, and students before they start and, at least, annually thereafter.
- Individual Anaphylaxis plans will be reviewed by all students and volunteers before they begin work.
- Volunteers must comply with the above terms for trips.

Angus Valley Montessori Schools adhere to the Supervision Policy for Volunteers and Students, available to families upon request, as set out in section 11.1(2). This policy outlines;

- (a) the requirement described in subsection (1);
- (b) the roles and responsibilities of the licensee and supervising employees; and
- (c) the roles and responsibilities of staff, volunteers and students.

As set out in section 11.1(1) Angus Valley Montessori Schools shall ensure that every volunteer or student on premises where it oversees the provision of childcare is supervised by an employee at all times and is not permitted to be alone with any child who receives childcare at the School. A staff member who is employed while also enrolled in an educational program and who are completing an educational placement in their current place of work may continue to be counted as a staff member throughout the duration of their placement.

What will your child need to bring to AVMS?

For Infant and Pre-Casa

- A copy of a child's immunization record, **please bring it on the first day.**
- Things to be brought to school all year-round:
 - Water bottle labeled with your child's name.
 - Indoor and outdoor shoes; indoors shoes must be closed toe (no Crocs or backless sandals), outdoor shoes must be running shoes for safety and fitting for current weather
 - At least two sets of extra clothing placed in a Ziploc bag, that match the school colours (a white shirt, with blue or grey pants). The Ziploc bag must have the child's name written in black also label all your child's belongings (first name and last initial).
 - Extra underwear and socks
 - A sleep sack for Infants.
 - Blanket, pillow and cot sheet for Pre-Casa.
 - Diapers & Wipes.
 - Diaper rash cream or ointment.
 - Silicone, dishwasher safe bibs for infants
- Seasonal, Fall:
 - Both a light and a thick jacket for various temperature changes.
 - Mittens & Hat.
 - Sun Block.
- Seasonal, Winter:
 - Snowsuit/snow pants & winter jacket.
 - Waterproof mittens & winter hat.
 - Snow boots.
 - Neck warmer

Important Notes:

- All personal belongings **must be labeled.**
- Student bedding will be sent home on **Fridays for washing**, to be **brought back on Mondays.**
- All water bottles and milk bottles will be sent home every day for sterilizing.

For Casa

- A copy of a child's immunization record, **please bring it on the first day.**
- Things to be brought to school all year-round:
 - Water bottle labeled with your child's name.
 - Indoor and outdoor shoes and socks (outdoor shoes must be running shoes for safety).

- At least two sets of extra clothing placed in a Ziploc bag. The Ziploc bag must have the child's name written in black also label all your child's belongings (first name and last initial).
- Blanket, pillow and cot sheet.
- Seasonal, Fall:
 - Both a light and a thick jacket for various temperature changes.
 - Mittens & Hat.
 - Sun Block.
- Seasonal, Winter:
 - Snowsuit / snow pants & winter jacket.
 - Waterproof mittens & winter hat.
 - Snow boots.
 - Scarf.

Important Notes:

- Non-toilet trained students need to bring in a bag of diapers/pull-ups, and a box of wipes for cleaning.
- All personal belongings must be labeled.
- Student blanket & bed sheet will be sent home on **Fridays for washing**, to be **brought back on Mondays**.

Health and Safety

Outdoor Activity

Children are required by provincial legislation to participate in outdoor activities twice daily, weather permitting. Children will remain indoors when temperatures reach -15° C or colder. Please provide weather appropriate clothing, always a hat and gloves as well as a supply of extra clothing. (Please refer to *What your child will need* for a complete list of items required).

Illness and Communicable Disease Policy

The AVMS Illness and Health Policy is carefully defined to ensure the health of the children in our care. Children who are ill should not be brought to the school, for their own benefit as well as that of our other children. Daily activity is too demanding to accommodate an unwell child. An unwell child is also more prone to infection and contagious disease. Young children are still building up their immune system.

- Children who are feverish, vomiting, have diarrhea and/or nausea are required be kept at home.

- Any child who falls ill at the School or home should be fever free for 24 hours, and gastrointestinal (vomiting & diarrhea) free for 48 hours
- If a child becomes ill during the day (fever, etc.), parents will be notified and may be asked to collect their child immediately. Symptoms will be recorded in the child's file.
- If a parent has been informed the child is ill, and requires pick up, they must pick up within one hour's time, no exceptions. As our policy states, sick children are placed in a separate room as they may be contagious. This requires a staff members attention, while also maintaining ratio in our classrooms.
- Should there be an illness outbreak or case of contagion, the school will notify parents through e-mail and posting within the building.

AVMS staff are not permitted to admit any child showing signs of illness upon arrival at the school. Symptoms include: Vomiting, Diarrhea, Rash, Hives, Fever, Foreign matter/discharge in the eyes or ears, Head Lice, or Ringworm. Communicable diseases include: Chickenpox, Hand, Foot and Mouth, Thrush etc. AVMS shall contact the Public Health Department to report occurrences of communicable diseases.

If a child has seen a doctor for treatment, parents are required to provide a doctor's note stating the child is well enough to return to the school. This is to be presented the first day the child returns to school.

Immunization Record and Emergency Consent Form

In accordance with the CCYEA, a fully documented Immunization Record and an Emergency Consent Form must be provided on the day of enrolment. Children will not be admitted to the school until we have the completed forms. For Children who are not immunized, a completed and signed ministry of education 'statement of conscience or religious belief' affidavit is required and must be submitted for our records.

Medication and Allergy Policy

Staff will administer any current prescriptions that the child requires, providing the parents/guardians provide written instructions on a signed Medication Authorization Form.

If your child requires medication during school hours, the medication must be delivered directly to the teacher when dropping your child off at the school. A Medical Authorization Form must be completed prior to any new medication being handed over to the school. The completed form must be submitted along with the medication that has the child's name on it. Authorization forms are available at the front desk.

Any medication provided to the school by parents WILL NOT BE ACCEPTED if in the following conditions:

- No original bottle.
- No labeling.
- Loose pills.

- Open package: syringes/needles.
- Non-updated medication form (staff should check if the form is completed during the current calendar year).
- No instructions from parents/guardians.

Staff will administer special creams for rashes or infection that have been prescribed by a doctor. It is our school policy not to administer non-prescription drugs, unless part of a medical plan. Parents/guardians who provide an adrenaline kit (i.e., EpiPen) must include specific instructions from the child's physician as well as an Individual Medical Plan. Parents of children who have experienced an anaphylactic reaction will need to provide a written step-by-step emergency procedure detailing how staff should handle an allergic reaction. This must be given to the school prior to the first day the child attends school.

Any medication/allergy medication administered at the school will be documented. An updated doctor's note must be provided every year for allergy medications and any changes to allergy medications during the school year.

Emergency Management Policy

AVM Schools adhere to the Emergency Management Policy and Procedures as described in section 68.1, available to all families. In the event of an emergency, we may need to take your child to the hospital. In some circumstances, emergency help may be called before parents are notified. Every effort will be made to notify the parents immediately, first via phone call and second through email. In the event of an evacuation of the school, the children will be moved to a designated site.

The evacuation sites are as follows:

- Primary Site: 9630 Dufferin Street, Unit #100, Vaughan ON. Northwest corner of the parking lot
- Backup Site: East Vaughan School, 9500 Dufferin St, Vaughan ON
- Contact: 905-303-4006

Note: all directions given by the emergency services personnel will be followed under all circumstances, including directions to evacuate to locations different than those listed.

Lockdown Procedure

A lockdown is a precautionary measure in response to a direct threat to the school or in the surrounding community. During a lockdown:

- All school activities are moved indoors.
- Depending on the type of lockdown, interior and exterior doors on campus are locked.

- No one is permitted to enter or exit the building.
- Parents should not come to the school during a lockdown.
- Parents are discouraged from calling the school. Telephone calls will not be answered.

There are three lockdown codes:

- **Shelter in Place** – used when there is an environmental or weather-related emergency, where it is necessary to keep all occupants within the school to protect them from an external situation.
- **Hold and Secure** – used when it is desirable to secure the school due to an ongoing situation outside unrelated to the school. In this situation, the school functions normally, with all exterior doors locked until the situation near the school is resolved.
- **Lockdown** – will only be used when there is a direct threat to the school or in the immediate vicinity of the school.

Once a lockdown is put into place, police and school administrators work together to first ensure the safety of everyone in the school. Once the situation has been stabilized, a message on Procure and/or email will be sent to parents to inform them that the school was in lockdown, the nature of the incident, and the duration of the lockdown.

When a disaster occurs that does not require the evacuation of the school, AVMS must notify parents/guardians within 3 hours of the occurrence via social media and or email on the same day.

In an Emergency Lockdown, parents will receive multiple forms of communication. During an Emergency Lockdown, parents are advised to watch or listen to local media, Procure and social media for updates.

Criminal Reference Check

All prospective employees of AVMS that have direct, unsupervised contact with children will be required to consent to a Vulnerable Sector Check. Criminal information obtained will be kept confidential. All students and volunteers placed in AVMS also require a Vulnerable Sector Check

Code of Conduct

AVMS maintains high standards for positive interaction, communication, and role-modelling for children. Harassment and discrimination will not be tolerated. If a parent/guardian, provider, or staff feel uncomfortable, threatened, abused or belittled, they may immediately end the conversation and report the situation to the Supervisor and/or licensee.

Parents/Guardians must acknowledge that they play an important role in the education of their children, and they have a responsibility to support the efforts of all Angus Valley Montessori Educators

and staff in maintaining a safe and respectful learning environment for all students. Therefore, parents and guardians are expected to;

- be engaged and show an active interest in their child’s schoolwork and progress
- communicate regularly and respectfully with AVMS Educators and Staff
- ensure their child is appropriately dressed, including required uniforms
- ensure that their child attends AVMS regularly and on time
- encourage and assist their child in respecting and following behaviour expectations of AVMS
- never use disrespectful, disparaging, derogatory or abusive language towards any Educator, Staff or community member of AVMS
- never engage in or condone disrespectful, disparaging, derogatory or abusive behaviour towards any Educator, Staff or community member of AVMS
- support and model respectful behaviour in all communication and contact with all Educators, Staff and Community members of AVMS

Should any parent / guardian engage in behaviour, or disregards parent responsibilities as outlined above, further action will be required by Angus Valley Montessori schools. There may be disruption of care, or full withdrawal of care should parents / guardians create a dysfunctional working relationship with AVMS or creates an unsafe educational environment.

Parent Issues and Concerns Policy

The purpose of this policy is for Angus Valley Montessori School to provide a transparent process for our parents/guardians, and staff to use when parents/guardians bring forward issues/concerns.

General

Parents/guardians are encouraged to take an active role in our school and regularly discuss what their child(ren) are experiencing with our program. As supported by our program statement, we support positive and responsive interactions among the children, parents/guardians, and our staff, and foster the engagement of an ongoing communication with parents/guardians about the program and their

children. Our staff are available to engage parents/guardians in conversations and support a positive experience during every interaction.

This policy and procedure for Parent Issues and Concerns is intended to fulfill the obligations set out under Ontario Regulation (O. Reg. 137/15, s. 45.1) for childcare centers.

All issues and concerns raised by parents/guardians are taken seriously by Angus Valley Montessori School and will be addressed. Every effort will be made to address and resolve issues and concerns to the satisfaction of all parties and as quickly as possible.

Issues/concerns may be brought forward verbally or in writing. Responses and outcomes will be provided verbally, or in writing upon request. The level of detail provided to the parent/guardian will respect and maintain the confidentiality of all parties involved.

An initial response to an issue or concern will be provided to parents/guardians within 3 business day(s).

The person who raised the issue/concern will be kept informed throughout the resolution process.

Investigations of issues and concerns will be fair, impartial and respectful to parties involved.

Confidentiality

Every issue and concern will be treated confidentially, and every effort will be made to protect the privacy of parents/guardians, children, staff, students and volunteers, except when information must be disclosed for legal reasons (e.g. to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or a Children's Aid Society)

Conduct

Angus Valley Montessori School maintains high standards for positive interaction, communication, and role-modeling for children. Harassment and discrimination will therefore not be tolerated from any party.

If at any point a parent/guardian, provider or staff feels uncomfortable, threatened, abused or belittled, they may immediately end the conversation and report the situation to the supervisor and/or licensee.

Concerns about the Suspected Abuse or Neglect of a child

Everyone, including members of the public and professionals who work closely with children, is required by law to report suspected cases of child abuse or neglect.

If a parent/guardian expresses concerns that a child is being abused or neglected, the parent will be advised to contact the local Children's Aid Society (CAS) directly.

Persons who become aware of such concerns are also responsible for reporting this information to CAS as per the "Duty to Report" requirement under the *Child and Family Services Act*.

| Nature of Issue or Concern | Steps for Parent and/or Guardian to Report Issue/Concern: | Steps for Staff and/or Licensee in responding to issue/concern: |
|--------------------------------------|---|--|
| Student- / Volunteer- Related | Raise the issue or concern to <ul style="list-style-type: none"> - the staff responsible for supervising the volunteer or student or <ul style="list-style-type: none"> - the supervisor and/or licensee. All issues or concerns about the conduct of students and/or volunteers that puts a child’s health, safety and well-being at risk should be reported to the supervisor as soon as parents/guardians become aware of the situation. | Provide a resolution or outcome to the parent(s)/guardian(s) who raised the issue/concern. |

Escalation of Issues or Concerns:

Where parents/guardians are not satisfied with the response or outcome of an issue or concern, with a supervisor/licensee of a AVM school they may escalate the issue or concern verbally or in writing directly to Angus Valley Montessori Schools.

Issues/concerns related to compliance with requirements set out in the *Child Care and Early Years Act, 2014* and Ontario Regulation 137/15 should be reported to the Ministry of Education’s Child Care Quality Assurance and Licensing Branch.

Issues/concerns may also be reported to other relevant regulatory bodies (e.g. local public health department, police department, Ministry of Environment, Ministry of Labour, fire department, College of Early Childhood Educators, Ontario College of Teachers, College of Social Workers etc.) where appropriate.

Safe Arrival and Dismissal Policy

Purpose

This policy and the procedures within help support the safe arrival and dismissal of children receiving care.

This policy will provide staff, students and volunteers with a clear understanding of their roles and responsibilities for ensuring the safe arrival and dismissal of children receiving care, including what steps are to be taken when a child does not arrive at the childcare centre as expected, as well as steps to follow to ensure the safe dismissal of children.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for policies and procedures regarding the safe arrival and dismissal of children in care.

General

- All AVMS locations will ensure that any child receiving childcare at the school is only released to the child's parent/guardian or an individual that the parent/guardian has provided written authorization for the child to be released to
- AVMS will only dismiss children into the care of their parent/guardian or another authorized individual. The centre will not release any children from care without supervision.
- Where a child does not arrive to care as expected or is not picked up as expected, staff must follow the safe arrival and dismissal procedures set out below.

Procedures

Accepting a child into care

1. When accepting a child into care at the time of drop-off, program staff in the room must:
 - greet the parent/guardian and child.
 - It is the responsibility of the parent / guardian to share with the class teachers if there is a change in routine or change of individual picking up child
 - Where the individual picking up is not listed on the child's personal information, the parent/guardian must give written notice to the office, via email, immediately
 - Changes to the child's pick up should be received to the office not later than 3PM that day

- Document the change in pick-up procedure in the daily written record, classroom logbook
- Sign the child in on the classroom attendance record.

Where a child has not arrived in care as expected

1. Where a child does not arrive at the school and the parent/guardian has not communicated a change in drop-off (e.g., left a voice message, sent a message via Procare App, or advised the closing staff at pick-up the day prior), the staff in the classroom must:
 - inform all staff of the program room, and the site supervisor. The staff will commence contacting the child's parent/guardian no later than 10:00am. Staff shall communicate with the parent/guardian via phone call, email or messaging app.
 - all reasonable effort will be made to contact the parent/guardian, should staff be unable to reach the parent/guardian they will notify the office
 - Should a parent/guardian not be reached the day this child is absent, the staff member will follow up with reason for absence when the child is next in care
2. Once the child's absence has been confirmed, program staff shall document the child's absence on the attendance record and any additional information about the child's absence in the daily written record, classroom logbook.

Releasing a child from care

1. The staff who is supervising the child at the time of pick-up shall only release the child to the child's parent/guardian or individual that the parent/guardian has provided written authorization that the child may be released to. Where the staff does not know the individual picking up the child (i.e., parent/guardian or authorized individual),
 - confirm with another staff member that the individual picking up is the child's parent/guardian/authorized individual.
 - where the above is not possible, ask the parent/guardian/authorized individual for photo identification and confirm the individual's information against the parent/guardian/authorized individual's name on the child's file or written authorization.

Where a child has not been picked up as expected (before centre closes)

1. Where a parent/guardian has previously communicated with the staff a specific time or timeframe that their child is to be picked up from care and the child has not been picked up within that time, or regular reasonable time frame for that family, the site supervisor or administration staff will be notified. The office will contact the parent/guardian via a phone call

or message (regular communication for that family) and advise that the child is still in care and has not been picked up.

- Where the staff is unable to reach the parent/guardian, staff will leave a message. Where the individual picking up the child is an authorized individual and their contact information is available, the staff shall proceed with contacting the individual to confirm pick-up as per the parent/guardian's instructions or leave a voice message to contact the centre.
- Where the staff has not heard back from the parent/guardian or authorized individual, after reasonable time, who was to pick up the child, the staff shall contact the emergency contact listed with the child's personal information.

Where a child has not been picked up and the school is closed

1. Where a parent/guardian or authorized individual who was supposed to pick up a child from care and has not arrived by closing time of 6PM, staff shall ensure that the child is given a drink and activity, while they await their pick-up.
2. One staff shall stay with the child, while a second staff proceeds with calling the parent/guardian to advise that the child is still in care and inquire their pick-up time.
3. If the staff is unable to reach the parent/guardian or authorized individual who was responsible for picking up the child, the staff shall contact the emergency contact listed on the child's personal information.
4. Where the staff is unable to reach the parent/guardian or any other authorized individual listed on the child's file (e.g., the emergency contacts) 30 minutes after closing time, the staff shall proceed with contacting the local Children's Aid Society (CAS). Staff shall follow the CAS's direction with respect to next steps.

Dismissing a child from care without supervision procedures

Staff will only release children from care to the parent/guardian or other authorized adult. Under no circumstances will children be released from care to walk home alone.

Video Camera Recording

Security video cameras record all day. Due to privacy concerns recordings are not live streamed. However, under special circumstances or in the case of a reported incident, video recordings will be shared with parents upon request. How long recordings are kept varies from school to school; please check with the Supervisor for more details.

Reinforcing Positive Behaviour Guidelines

AVMS believes that Positive Behaviour reinforcement is an integral part of our program as it complements our goals and philosophy. It ensures the smooth running of our programs and teaches children to learn to respect others, themselves, and property.

Prohibited Practices

Angus Valley Montessori Schools shall not permit, with respect to a child receiving childcare,

- corporal punishment of the child;
- physical restraint of the child, such as confining the child to a high chair, car seat, stroller or other device for the purposes of discipline or in lieu of supervision, unless the physical restraint is for the purpose of preventing a child from hurting himself, herself or someone else, and is used only as a last resort and only until the risk of injury is no longer imminent;
- locking the exits of the child care centre or home child care premises for the purpose of confining the child, or confining the child in an area or room without adult supervision, unless such confinement occurs during an emergency and is required as part of the licensee's emergency management policies and procedures;
- use of harsh or degrading measures or threats or use of derogatory language directed at or used in the presence of a child that would humiliate, shame or frighten the child or undermine his or her self-respect, dignity or self-worth;
- depriving the child of basic needs including food, drink, shelter, sleep, toilet use, clothing or bedding; or
- inflicting any bodily harm on children including making children eat or drink against their will.

Inappropriate Verbal Practices:

- Humiliation:
 - Threatening.
 - Swearing.
- Harassment:
 - Yelling.
 - Sarcasm.
 - Discussion of a child within any child's hearing.

Lack of Supervision including:

- Diverted attention for frequent or extended periods.
- Leaving children unsupervised, child unaccounted for.

Admission, Withdrawal and Attendance

If your child is going to be away or late on any day, we will require notification no later than 9:30 am. The school will be closed for all Statutory Holidays. Statutory Holidays are not deducted from the tuition fees.

Statutory Holidays

- Family Day
- Good Friday
- Easter Monday
- Victoria Day
- Labour Day
- Canada Day (July 1st)
- August Civic Holiday
- Thanksgiving Day
- Christmas Eve (early closing)
- Christmas Day
- Boxing Day
- New Year's Eve (early closing)
- New Year's Day

PA Days

AVMS will be closed on the regional school board's designated PA days. AVMS uses those days for parent teacher interviews, staff training and development and for our building maintenance.

School Closed

School Closed for 3 weeks annually. The school is closed for two weeks over the winter holiday (December/January) and one week in March or April, aligning with the regional public-school calendar.

Camps

AVM has three Annual Camps: Spring break, Summer, and Winter break camps. Camp spaces are based on availability, and enrolled through a 'first come first served' basis. If you require care for any of these weeks, please contact the office for more information. AVMS

camps are filled with interesting hands-on activities with visits from special visitors and exciting field trips. Activities differ from one AVM school to another and subject to change, please contact the office for details prior to registration.

Waiting List Policy

This policy and the procedures within provide for waiting lists to be administered in a transparent manner. It supports the availability of information about the waiting list for prospective parents in a way that maintains the privacy and confidentiality of children.

The procedures provide steps that will be followed to place children on the waiting list, offer admission, and provide parents with information about their child's position on the waiting list. The wait list is maintained during each school year and begins again during the new registration period. Parents / Guardians will be required to add their child to the new waitlist.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for a childcare centre that maintains a waiting list to have related policies and procedures.

Note: definitions for terms used throughout this plan are provided in a Glossary at the end of the document.

General

A waitlist will be formed when an Angus Valley Montessori School program reaches full capacity of enrolment based on our campus location license.

- Angus Valley Montessori will strive to accommodate all requests for the enrolment of a child at any AVMS location.
- Where the maximum capacity of a program has been reached and spaces are unavailable for new children to be enrolled, the waiting list procedures set out below will be followed.
- There is **no fee or deposit required** to have your child placed on Angus Valley Montessori Waiting list.

Receiving a Request to Place a Child on the Waiting List

The licensee or designate will receive parental requests to place children on a waiting list via; online application, telephone request, in person meeting after tour of AMVS campus.

1. School Tour

In order to have your child added to our waiting list, parents/guardians and child(ren) must first complete a tour of the school.

2. Provide information for the waitlist:

This includes: Date of the Tour, Parents Name, Telephone, Email, desired enrolment Date and Child's current age.

3. The licensee or designate will place a child on the waiting list in chronological order, based on the date and time that the request was received with complete waiting list form.
4. Once a child has been placed on the waiting list, parents may request the place of their child(ren) on the list at any time and the AVMS campus will share that placement with the parents/guardians.

Determining Placement Priority when a Space Becomes Available

- In an event where a particular program reaches capacity a waitlist will be formed for that program. Siblings of our current students, who wish to enroll in an AVMS program at the same campus, will be given priority status over the “new” students on the waiting list.
- Children who are on the waiting list will be accepted into the program on a first come first served basis as spots become available.
- Once these children have been placed, other children on the waiting list will continue to be prioritized based on program room availability and the chronology in which the child was placed on the waiting list for that school year.

Offering an Available Space

1. Parents of children on the waiting list will be notified via email that a space has become available in their requested program.
2. Parents on the waitlist will be informed that they have a 24-hour period to accept the placement in said program.
3. In an event that the parent has not responded back during the 24-hour period, AVMS will contact the next student on the waiting list.

Responding to Parents who inquire about their Child’s Placement on the Waiting List

1. Parents/guardians are welcome to call the campus office for an update on their child’s status on the waiting list at any time.
2. Administration staff or the campus Supervisor will only advise the number where the child is placed on the waiting list.

Maintaining Privacy and Confidentiality

1. The waiting list will be maintained in a manner that protects the privacy and confidentiality of the children and families on the list and therefore only the child's position on the waiting list will be provided to parents.
2. Names of other children or families and/or their placement on the waiting list will not be shared with other individuals.

Tax Receipts

An official tax receipt for the previous calendar year will be issued by the school on the last business day of February.

Admissions Policy

- A child will be considered for acceptance into the school only after the Application for Admission is fully completed, signed and all necessary documents required have been submitted together. Any outstanding documents will result in delay in admission to the school.
- Angus Valley Montessori Schools will not accept a registration fee without complete enrollment forms and signed Admission Agreement, nor will they accept signed agreements without the Registration Fee.
- AVM Schools will confirm with families via email, the completion of enrollment of their child(ren).
- A mandatory Registration Fee of \$250 (CWELLC Reduction \$131.88) Parent Contribution \$118.12 is required upon completing the Application of Admission. This fee is not refundable for any reason after submission. I/We understand that there are no prorated refunds for mid-month withdrawal.
- The school is closed for two weeks over the winter holiday (December/January) and one week in March or April, aligning with the regional public school calendar.
- In the event my child's information changes during the school term, I/we are required to submit in writing any changes that have occurred to administration office.

- Angus Valley Montessori School reserves the right to accept or reject an Application of Admission and/or request the withdrawal of a child, if it is in the opinion of the Supervisor and/or Teacher that the action is beneficial to the child or the children in the classroom as a whole.

Fees during Admission

- Registration fees, first and last months (June) tuition fees and complete Direct Deposit forms are required upon registration and confirmation of placement within AVMS.
- Monthly fee will be deducted via pre authorized debit, on the 1st of every month.
- These fees are due and payable within 24 hours notice of availability, before the space is offered to next child on the wait list.
- First and last months tuition fees are deposited immediately upon registration and confirmation of placement with AVMS.
- Prices subject to changes: As part of the on-going implementation of the Canada-Wide Early Learning and Childcare program all mandatory fees (including childcare and registrations fees) will continue to be reduced as per the requirements of the program.

Refund / Withdrawal Policy

Withdrawal of a child, at any time, affects decisions and commitments regarding staff and class ratios that have already been established with great care. Therefore, once a child is enrolled or re-enrolled at AVMS, the parents/guardians are expected to make a financial commitment for the full year. However, serious or unforeseen circumstances may occur that cause a parent/guardian to permanently withdraw a child.

- A child is considered enrolled with an AVM School when the office receives a minimum of a complete and signed Admission/Re-Admission agreement, complete enrollment forms along with the Registration Fee. A school will not accept an Admission form without the Registration fee, nor the registration fee without a complete and signed Admission form.
- The School will confirm your child's admission after receiving and confirming completion of the required documentation.
- A School Year, Academic Session or time commitment on an Admission/Re Admission form is September through June of the upcoming school year.
- The months of July & August are considered Summer camp and require separate Admission documentation.
- Parents/guardians who withdraw a child at any time after enrolment/re-enrolment must provide a minimum of **one** calendar month written notice, to be received no later than the first day of the month.
- When withdrawal occurs, prior to or after the intended start date, the parent/guardian forfeits their Registration Fee and last months tuition in full.

- If withdrawal occurs of Summer Camp, after any time after successful enrollment, or during the period of care (July & August) the parent/guardian forfeits two months (July and August) tuition fee.
- If a child has a temporary absence, the parent/guardian is required to inform the school in writing and continue to pay tuition installments for up to two months. After two months has lapsed, and the child has not returned to the school, the School Administrator will notify the parent that the child is withdrawn and no further installments are paid, and the child's space is made available to the next person on the waiting list.
- Should the Supervisor of the program decide that a child cannot adjust to the program, or that the needs of the student cannot be met by the program, the student will be withdrawn after fourteen days written notice from the Administrator of AVMS.

CWELCC, known as the Canada Wide Early Learning and Child Care Agreement is the agreement between Childcare Service Providers and the Federal government with the purpose of providing access to high quality childcare spaces, reduce childcare fees for families, increase childcare spaces, support the childcare workforce and support inclusive childcare.

- Angus Valley Montessori Schools have the choice of opting into a CWELCC agreement. Please see Appendix A in this document to read whether this School has opted in, and what is included in base and non-base fees.
- CWELCC's reduced fees does NOT apply to care that has yet to be provided, if a child has not yet utilized childcare that the 1st and last month's tuition is intended for, the School is NOT responsible for refunding CWELCC's contribution to Tuition Fees
- At the time of admission/readmission, prepaid tuition fees are not subject to CWELCC, therefore families are responsible for paying full tuition fee's, as outlined in the "Monthly Base Fee" column of the tuition fee Cards.

Returned Payments

Returned payments from the bank are subject to a processing fee, outlined with tuition fees of your AVM school. Notice will be sent to the parents to resolve any outstanding payments and will include the processing fee. Should the outstanding account not be settled by the deadline specified in the notice, the parent will have to relinquish the child's or children's space(s) with AVMS.

Late Fee Policy

AVM locations have set hours, that are outlined on Tuition Fee cards. An industry-standard late fee of \$1.00 per minute will be charged to the parent and is payable directly to the staff member on duty. The late arrival will be recorded in a logbook; repeated occurrences may be cause for the school to request that your child be withdrawn from the program.

Please respect the school's closing time and remember that staff are on their own time after closing hours. If we have not received notification in advance from the parent(s) of their lateness after the official closing time, the following procedures will be taken:

- For 15 minutes after closing time, the teacher will attempt to reach parent(s) and all other emergency contacts provided by the parent(s) at the time of registration.
- Children's Aid will be notified if the child(ren) remains at AVM schools 30 minutes after closing (1-800-718-3850) and the child will be released into their care.

Hours, Access, and Security

School Arrival

Unless your child has enrolled for extended early hours, do not enter the school prior to 8am. To ensure your child receives the greatest benefit from our program, we strongly suggest that they arrive no later than 9:00 am. Staff are required to note each child's arrival and departure time using Procure.

When bringing your child to the school, you are responsible for delivering your child to his/her teacher. It is important that parents/guardians advise the Teacher if their child has any injuries, bruises and possible illness before leaving the child at the school. Please ensure their belongings are in the proper designated place.

If your child has an appointment that will result in your child arriving late, leaving early or leaving for part of the day, arrangements must be made prior to 8:00am.

Extended Hours

AVM schools are open Monday to Friday, to serve you better. Our school hours are from 8:00 am – 4:00 pm. However, AVMS parents have a choice to select Early and Late extended care, beyond our school hours. For further information, please contact our admin support of your AVM school.

Parking

Parents are asked to park their cars in the designated parking spots while dropping off and picking up students. Parking in the main thoroughway is prohibited. Parking can be busy between 8:00 am - 9:00 am, please park your vehicle and accompany your child in and out of the school. Please do not park in the handicap spaces unless you have a proper handicap parking pass or the appointed spaces for the Orthodontist and Accountant. If no spaces are available, please park on the street.

Entering School During Instructional Hours

Other than drop-off and pick-up times, parents/guardians are not permitted to enter the school between the hours of 9:15 am - 3:30 pm. If a parent arrives at the school during these times, for any reason, they are required to use the front doorbell and someone will assist you. Doors are locked at all times with the exception of the hours 8:00 – 9:00am and 3:30 to 4:30 pm, during those hours a staff member is always available at the front door. If you are leaving the School while the doors are locked, do not allow any others to enter, (after 9:00am or before 3:30pm.)

Departure

When picking up your child, please knock at the door and allow the teachers to bring your child to you. Parents/guardians are to remain outside of the program rooms, unless invited to come in. The children's safety is a high priority, when you have received your child at the classroom door, please ensure they stay with you, by your side, during the pickup process. Remind children to adhere to school rules, including walking instead of running in the hallways and speaking at respectful levels.

If you are arriving outside of usual pick-up time, please send a message to your Teachers via Procure, so they are better able to prepare your child for pick up.

If you have arranged for anyone else to pick up your child:

- ✓ You must notify the school by phone, or in writing.
- ✓ The person picking up your child is required to show identification.
- ✓ Please include any alternate pick-up people on your registration form.

Persons not listed on your child's registration package as authorized to pick up, will not be permitted to pick up your child.

Inclement Weather

In the case of severe weather conditions, watch for Procure and Email messages regarding closures.

Social Media

You can follow AVMS on Facebook and Instagram.

School Events

AVMS has school events such as: Open House(s), Family Appreciation Day, Annual Holiday Concerts, Community Events. All parents will be notified and will be invited.

Appendix A

Canada-Wide Early Learning and Child Care (CWELCC)

AVM Vaughan participates in the CWELCC program, please note what is included in a base or non-base fee. Fees included in the non-base fee list are NOT covered by CWELCC.

Base Fee – Covered by CWELCC

- Tuitions Fees based on Full Day Program
- Camps offered during break
- Play materials, equipment, and furnishings; cot, crib, bedding and play materials
- Supervision by an adult during operational hours
- Development and implementation of individualized plans (Medical, special needs, anaphylaxis)
- Registration fee
- Last month's deposit
- Morning snack, Lunch and Afternoon snack
- Stationary and all other work material
- Procure: End of day daily report
